Dillandsia zonata mihi

Flores in medio caespite foliorum conversque axillis congesti, sessiles, partim fasciculo centrali multiflori, axillaribus congestis 3-5 floris, bractis membranaceis-scariosis suffulti, stricte obovato-oblongis, basi attenuatis, margine hyaline angustissime membranaceis, particulibus angustioribus ima vel altior pro propria flore. Perigonium hypogynum, phyllis extrinsecus longe lateque conglutinatis, nervosis, nitidis, margine hyaline membranaceis, in tubum gracilem aut compressum, parte majori tantum adnatis, apice liberis, binis longius connatis, omnibus ungues phyllorum interiorum superantibus; interioribus ~~alteris~~ longe altioribus, ~~ab~~ ~~ad~~ ~~ad~~ ~~ad

Dillenii zonata. 30 Maji. 1847.

Flores in medio corporis plurimum ejusque axillis congesti fasciculati sessiles +

Calyx monophyllus, e squamis [illegible] lanceolatis conglomeratis numerosis marginis

hyalinis connatis fabricatus, [illegible] segmentis liberis, brevissimis sex spiralibus

[illegible] ad vertices [illegible] in horum capitis, omnibus

Corolla e petalis liberis oblongo-lanceolatis [illegible] in horum capitis, [illegible]

[illegible] regio [illegible] glandulae nectariferae flavescentes exhibentes, [illegible]

[illegible] nectariferae [illegible] glandulis flavescentes albescentes [illegible], exsuperantes

[illegible], regio autem liberis exerta petalis oblongis [illegible] albis, [illegible] [illegible]

Stamina 6 exerta flavescentia liberis bilobis [illegible] et [illegible] [illegible] [illegible] [illegible]

et liberis, omnibus conspicuis sex corpusculis albis, [illegible] oblongis [illegible] liberis regio basin ovarii

[illegible] lineari-oblonga, apice obtusa, granulis glutinosis

ovaliberis. Pistillum ex floribus centralibus nullum, in axillaribus [illegible]

stylo triangulari apicem versus crassiore, [illegible] hispido, stigmatibus oblongis-lanceolatis

marginibus [illegible] hyalinis erectis, ovario

ovato trigono ad corpus calycis adnato obtuse, triloculari loculis polyspermis,

[illegible] ovulis [illegible] [illegible] [illegible]
