Spiritus oris nostri Christus dominus: captus est in peccatis nostris.

Defecit gaudium cordis nostri: versus est in luctum

Deserta est omnis letitia: inflatum est gaudium terre.

Defecit in dolore vita nostra: et animi nostri in gemitibus.

Quis dabit capiti nostro aquam: et oculis nostris
fontem lachrymarum?

Et plorabimus die ac nocte: benignissimum dominum.

Facimus nobis placentiam amarum: super dulcissimum dominum Christum.

Quam nos vestimentis letitiae: induamur cinere et

Sedeamus in terra et ploremus: nec cilicio.

Clamemus voce cum lachrymis: heu heu domine.

Venite o fideles populi: ad sanctas domini exequias.

Fluant oculi lachrymarum fontes: super extincto corpore domini.

Trupant cordis suspiria: pro tanto impietatis scelere.

Lotus bonitatis dominus: heu hodie crucifixus est.

Demisso itaque terra capite: inconsolabiliter evilemus?

Interore cordis sancti: non sine fletu clamemus?

Feria vi. i pasceue.

et manna cibavi te: parasti crucem salvatori tuo.

Ego propter te flagellavi egyptum: cum primogenitis suis: et tu me flagellatum tradidisti.

Ego te eduxi de egypto: demerso pharone in mari rubro: et tu me tradidisti principibus sacerdotum.

Ego ante te aperui mare: et tu aperuisti lacum latus meum.

Ego ante te posui in colima nubis: et tu me deduxisti ad praetorium pilati.

Ego te pavum manna per desertum: et tu me cecidisti alapis et flagellis.

Ego te potavi salutis aqua de petra: et tu me potasti felle et aceto.

Ego propter te cananeorum reges percussisti: et tu percussisti arundine caput meum.

Ego dedi tibi sceptrum regale: et tu meo capiti spinam coronam.

Ego te exaltavi magna virtute: et tu me suspendisti in patibulo crucis.

D quoniam magna multitudo amaritudinis domine: posuisti diligentibus te.

Quia susurrabant adversus te omnes inimici tui: et cogitabant mala tibi.

Quoniam circumdederunt te canes multi: concilium malignantium obsedit te.

Qui comedebant tecum: posuerunt isichias tibi.

Percusserunt et vulneraverunt te: plaga mortis.

Plauserunt super te manibus omnes transientes per viam:
et mouerunt capita sua.

Aperuerunt super te os suum omnes inimici tui: sibilauerunt
et fremuerunt dentibus: et dixerunt denozabimur.

Dederunt manus tuas et pedes tuos: diminuerunt
omnia ossa tua.

Spiritus non considerauerunt: et inspexerunt te: diuiserunt sibi
uestimenta tua: et uestes tuas miserunt fortibus.

Extraneus factus es fratribus tuis. et peregrinus filiis
matris tue.

Et dederunt in escam tuam fel: et in siti tua potauerunt te aqua.

Angustia possedit te undique: sicut
angustia parturientis.

Dolor tuus super dolores: in te cor tuum merens.

Sicut aqua effusus es: et dispersa sunt omnia ossa tua.

Et factus es opprobrium vicinis tuis valde: et horum notis

Et factus es tanquam nas perditum: et vituperatio
omnium commorantium in circuitu.

Qui videbant te foras fugerunt a te: oblivioni datus
es tanquam mortuus a corde.

Pupillorum tuorum suspiria: ne spernas o saluator.

Quoniam corpus domini ponitur in sepulchro / **citatur hi. x.**

En breuissimo in tumulto: te recordimur heu domine.

Dulcedo suavissima: ad nos cito reuertere.

He paruipedaque amatissime: languentes pro te filios.

Expectamus te anxie: videre reges glorie.
