

Newfield, New Jersey  
Aug. 29, 1901

Dear Colleague

I inclose description of Lesioleplethia  
tuberculata E. & E. from Botany  
Gaz. 1896, p. 92.

I have no printed copy to send  
you & have copied the original  
description. I was overlooked in  
sending papers to the Sylloge  
Yours truly

J. B. Ellis
