

Newfield New Jersey
March 28. 1881

My Dear Sir

Michelia nos. VI and VII
have safely come to hand
and are very interesting &
instructive - of special
interest to me are your
notes on the fungi I sent
you, in Michelia VII.

I send you with this
a small package by post
containing 5 species as
noted on the next page
Enclosed with no. 1 are
20 francs. for Mich. VI & VII.
The balance - 4 fr. I will
send you at another
time.

Very truly Yours

J. B. Ellis
