Sep. 24. 1883

My Dear Sir

I have rec^d your letter
& card postale & thank you
for the information given.
Since I wrote you I have
rec^d mature spec. of 3754
which seems to be Physarium
polymorphum Mont. (juvenile)

I would prop^{ose} to call
3755. Meliola imperfecta
Sacc. & Ell. Viz. ut mihi
videtur, ad M. nichulans
Schw. pertinet.

I enclose 2 species
which I should be glad
to have you determine &
name. on pasteboard
spec. oblong 3 septate
framed 

Prof. P. A. Saccardo in acc. with J. B. Ellis
