

Newfida New Jersey
Nov. 8 1881

Honored Colleague
and Friend

I send you with
this a small package
by post containing some
spec. of fungi which
I should be glad to have
you determine for me
If any are new please
put Sacc. ell. after them

I shall be glad to hear
your opinion on the
new genus "Everhartia"
previously sent.

Very Truly Yours
J. B. Ellis
