

Newfield New Jersey
Aug. 1st 1881

My Dear Sir

Your postal card of July
19th with notes on my Spec.
of Fungi nos. 50-56 was duly
recd^a And a few days
ago Fungi Ital. 841-1144
came safely to hand for
which I thank you very
much. Your work is
very interesting & valuable
& I hope you may live
long to continue & enjoy
it!

On looking over our
account I see that I have
sent you more money
than I was aware of. And
I have made a statement
which I enclose & which

you will please correct
if wrong.

The price of M. A. F. is
\$7. = 28 shil = 35 francs
per centum.

I do not know the price
of M. V. but have put
it at 25 fr. per Cent.
— please correct if not right.

The price of the M. A. F. is
comparatively high but I
find a ready sale at
that price so that only
a few entire copies are
now left.

If you prefer it I
will hereafter send you
the cash instead of the
M. A. F. but of course
if you wish it I will

Send you the succeeding
nos. of N. A. F. as fast as
published.

I do not wish you to
send me any money
but I should like to receive
the continuation of *Michelia*
Mycodthea Veneta, *Fungi*
Italici & your Sylloge
Ingonum Omnis &c
for all of which I will
try to satisfy you
either with money or other-
wise. And in any case
I am greatly obliged
to you for the assistance
you have given me
Very truly Yours

J. B. Ellis
