

Dear Sir,

Kings Lynn. 18. Feb. 1877.

I will with pleasure subscribe to your
"Fungi Italici autographice delineati" con two Col-
orate. price 4 Franc. per No and to "Michelia"
price 1 Franc. per No.

Your Fungi Ventosi Cent 8 + 9. I have
received from Mr Cook: and thank you
very much. for them they interest me
much more than Cen David J. did -
I find on looking over my stock that
I can send you Sphaeriacei Britannici
Cent II if you wish it: But a great
many of the specimens it contains were
sent in my last parcel to you - or.
Would you rather have 100 Specimens
of all kinds of British fungi: not the
very commonest species? Please
say which you prefer.

Believe me

Yours truly
Charles B. Frowd.
