My dear Sir,

Kings Lynn. 30. 3. 78.

Have you not had enough of my Exchange
to disgust you? you are indeed a most
forgiving man! I cannot undertake more
than a very small exchange say 25 Specimens
as my time is so taken up with my
professional work. If you have a spare Specimen
of Sp. putaminis I should much like to see one.
Many thanks for the honour you do me in
naming the Caloneetna after me. Are there
any particular British species you want to see
you ask me and I will try to obtain them for
you.

Wp. S. 4. 78

Ever yours

Charles B. Clough
