

14 July 1877.

My dear Sir,

Enclosed you will find a Post office order for £1. (one pound) drawn by me which I think you will find the correct amount.

[allow me to congratulate you upon the figures of the fungi which are very good.]

I have not sent any fungi to Dr Cooke in return for your Esciccati because I have not had time to look them out

but I have not forgotten
~~I do so~~ that I owe you
them.

Believe me
Very truly Yours
