

14 March 1878

My dear Sir,

Enclosed please find
a Post office order for
24. francs..

	Fr.
Fungi Italici Fasc V-VIII.	16
Michelia Num II	10
	26.

Less. 2 fr. which I sent }
you to much last year }

24

Thank you very much
for your Parcel.

I have this day sent you
a parcel of 200 fungi.

this ~~the~~ is the plant of
Albertini & Schweinitz?

Relieve me

Ever Truly

Charles B. Plowright.

which have been promised
so long that I am
ashamed to think of them.
I fear they are not of
much value but they

are the best I can send. ^{Please} write in Italian
Would you kindly tell me

whether the enclosed *Nectria*
be your *Calonectria macrospora*
Mich. II. p. 257. F. St. Fig. 197—

I have sent for a specimen
of a fungus which Mr. F. Currey
some years ago ~~told~~ called
Hypoxylon luteum Fr. (?). Do you
