MELBOURNE.

Botanic and Domain Gardens,
MELBOURNE, VICTORIA, AUSTRALIA,

22/1/1893

MEMORANDUM RE DESIDERATA.

*. is dried Specimens of both foliage and flowers.

Some of the more urgently felt wants as affecting
plants and seeds for cultivation, articles and other pre-
parations of interest obtained from vegetable substances,
also Herbarium Specimens, * as well as Carpological Collections
(seeds with seed pods, &c.) for the Museum of Economic
Botany, are indicated to some extent by the accompanying
lists.

The co-operation of Directors of Botanic Gardens,
of Horticultural Establishments generally, as well as of
Plant and Seed Merchants, and others interested in
Botanical Science, is specially invited.

Such returns as may be asked, will be selected
as fully as possible, under my instructions, and forwarded
in due course.

12 pkts seeds, Australian species
herewith. W. R. Guilfoyle
Director.

The Director,
Botanic Gardens,
Padua, Italy
