Dear Sir

I have to thank you for
your note & the information you
have sent me as well as
for your kindness in sending me
the drawing of the ancient garden
at Padua.

I feel sure that this has put you
to some expense & this I will
gladly remit if you will tell
me the amount the drawing
has cost you

with very sincere thanks

I am Dear Sir

Yours sincerely & truly obliged
a. L. G. Visiani for Master
Padua.
