

Genthall Hall,
at Brossely.

April 16. 1896.

Dear Sir

I have to thank you for
your note of the 9th of April
& for your kindness in sending
me the lithographic view of
the Botanic Garden at Padua.
Mr Masters the Editor of the Gardener's
Chronicle for whom I am about
to write the articles on "Italian
Gardens" is also very much obliged.
I hesitate to ask a further favor.
but as you kindly say you can
without much trouble obtain
for me a tracing of the ground
plan of the ancient garden I
should be extremely thankful

for it & will at once
 remit to you the costs
 of having the tracing made.
 If it is not troubling you
 too much I should also be
 very much obliged if you
 would favor me with a
 copy of the inscriptions
 on the house containing the
 large Chamærops humilis &
 would you tell me the height
 of the noble specimen of Arancaria
 excelsa, & the age of the
 old trunk of Platanus orientalis?
 With many apologies for the

trouble I am giving you
Believe me my dear Sir
Yours most truly
George Maw

Padua.
