Accipi diagnosis Mildmay et Wettsteinii a Te
transcriptis, et gratias Tibi ago maximas, sed
non vidi plantas affines, uti scilicet *Coscydenia*
laevigata, et alias quas vellem comparare -
Si potes, has mihi mitte. Plantae Tuae adhaec
non venerunt citius jam a die XXV Aug^{ae} misisti
Vale

Bot. Pantorick. di 3. Sept. 85

was a happy meeting of old friends
and new friends of good old age
and was a pleasant surprise, as I
thought it was a very common
thing, but was a very
pleasant surprise, as I
thought it was a very common
thing, but was a very
pleasant surprise, as I

Yours truly
Wm. F. F. F.
