Quarta immagine, essendo a Padova, io  
mi ingegnava di rendere con le parole e  
d'igno Segnar colonna del mare; che  
giacovano al buon profetto Maclan; a  
me no, se perche' mia non era l'imma-  
gine, e mi vergognavo dell'appropriar-  
mela; se perche' la sutta e il congiugio  
de' vocaboli la rendeva in maniera di  
verente addio de' cuore.
