Mr. P. A. Saccardo,

Professor, University of Padova,

PADOVA, I T A L Y .

Dear Sir:-

Your card of the 27th of April is received. It gives me great pleasure to request the assistants of this Herbarium to send you 400 representative plants of the Southeastern United States. These will go out with our other trans-Atlantic shipments next autumn. At the time of shipment we will notify you explicitly. As yet we have not effected arrangements on the continent of Europe for a suitable agent, but, in the meantime, our agents in London, Messrs. William Wesley & Son, 28 Essex Street, Strand, will look after our interests. Packages intended for us should be addressed to the Biltmore Herbarium, Care of William Wesley & Son, 28 Essex Street, Strand, London, W.C.

Truly yours,

C. D. Beadle

Dear Sir:-

Your card of the 27th of April is received. It gives me
great pleasure to request the assistance of your laboratory to send you
500 representative plants of the Southern United States. These
will go out in our other trans-Atlantic shipments next autumn. At
the time of shipment we will notify you explicitly. As yet we have
not effected arrangements on the continent of Europe for a suitable
agent, but, in the meantime, our agent in London, Messrs. William
Weale & Son, 25 Essex Street, Strand, will look after our interests.
Packages intended for us should be addressed to the Pittmore Herbarium,
