

Sibbertoft
Market Harborough
Aug. 12. 1882

My dear Sir

I have been in Wales, & take the
first opportunity on my return to thank
you for the beautiful Volume of the Sylloge
which does you an immense credit.
I shall send this with a notice to the
Sandraen Church & hope that our
Mycolajists will do their best to
promote your object in the Cabriens
task you have undertaken. Believe me
always very sincerely yours

W. B. Threlk. -
