

Iowa Agricultural College.

Ames, Iowa, Dec 6 1883

Professor P. A. Saccardo
Padua - Italy
My dear Sir.

I have the
honor to acknowledge the receipt
this day of Genera Pyrenomycetum.
It is very fine, and I am much
pleased with it. However, by an
oversight Plate IV was omitted
from my copy. I shall be glad
to receive the missing plate.
Very truly Yours
C. E. Bessey
