

April 24 1888

My dear Holway.

Have I given you the results of my inquiries respecting the matter of Saccardo's postal.

1. Dr Holsted says that no vol V. has come to him.
2. Mr Knapp says that none has come to him.
3. Both say that they have not forwarded any vol V to me.
4. I have rec'd no vol V.

This volume belongs to the set ordered from the Bot. Dept. of the Agric. Coll, by me before I left Iowa. I have requested Saccardo to send all volumes to Dr. Holsted. and Dr Holsted writes me that he has requested Saccardo to do the same.

Please to convey to Professor Saccardo these facts, with my regret that a mistake should have ^{occurred} ~~been~~.

Very truly
Charles E. Perry.
