Dear Sir

Thank you very much for your
kind note. I have much pleasure in
sending you the numbers of my papers
which you do not possess.

In ~~no. 4~~^{Part IX} - will you kindly correct
no. 1218 Sporormia secedens, to Perisporium
vulgare. I discovered the error before I
distributed the reprints and corrected it in them,
but not in those which were issued in the
Bristol Naturalists' Proceedings. I am
yours very truly
