Dear Sir

Many thanks for the Vol VIII. Sylloge Fungorum which I have just received. Our postmaster has mailed you a money order for 70 francs, that is £ 70.90 the price of the volume, The said order is made payable to you at Padova. Post office. Which I hope you will find correct. For evidence I have thought proper to send the enclosed voucher, which of course is of no other use (so stated on it) Please inform me when you receive the money order for the amount,

Hoping you are well I am also in good health

Yours truly
