Dear Sir

I send to pay the price of  
your valuable Vol X Supplementum universale.  
Which I received from you some time ago the en-  
closed international money order for the sum of  
48 francs, which I hope you will find correct.

Yours truly

B.M. Everhart

P.S. Will you please send me Prof. A.N. Berlese's address. On May  
last I sent him a money order for 30 francs and have got no  
answer from him. I directed the letter as follows.
