Prof. C. A. Saccardo

Your letter I have just received  
Also Vol. XIV Syloge fungorum came to hand  
a few days ago, and I am highly pleased with  
It has been well tied up, and came here in as  
~~is~~ good order, as it was first mailed.

The enclosed is a voucher, that is  
an evidence, that the post master here has  
sent to your Post master, an internal money  
order for you, to the amount of 83 francs. Which  
I hope you will find correct.

Hoping you are well  
I am also in good health  
Benjamin M. Everhart

P.S. That I may know that get the money  
please let me know—
