Venise Sept. 22, 1899.

Prof. Dr. P. A. Saccardo
 Vittorio (Treviso)

Dear Sir:

Thank you heartily for your card to the Gardner. I visited Padua in search of the grapes and was obliged to go so far into the country ^{in search of them} that I could not visit the garden and get back to Venice to meet an appointment.

This was a disappointment, but as you were not there, not so great a disappointment as that of failing to see you. Very truly yours
 D. S. Fairchild.
