

1912 Christian St.,
Philadelphia, U. S. A.,
September 17, 1886.
Prof. Saccardo,
Dear Sir:-

Would be pleased
to receive a copy of your "Syl-
loge Fungorum". Can recip-
rocate by sending you my
"Nests & Eggs of Birds of U. S."
(see enclosed circular), and,
shortly, my "Botany of Phila-
delphia & Vicinity", which will
include all the plants of this
region. Volume 1 of this book
will be issued this winter, &
the others, three in number, will
appear as soon after as
possible.

If there are any fungi which

you desire from America,
please write me, and I will
do my utmost to secure them
for you though my own and
others' endeavors.

Trusting to receive a favorable
response to my proposition,

I subscribe myself
Very truly yrs.,

Thomas G. Gentry,
Pres. W. S. Grant Gram-
mar School.
