24	Cucurbit. Berberif. Lemysii	D. caffè
25	Tubercular. Sambuc.	Sambucus nigra
26	Botryophan. puber. Dendryph. cinnam.	D.
27	Pesiz.	Ligustrum vulgare 1. vero 2. biancastro
28	Lichen	Prunif. domestica
29	Hypoxis. coham.	D.

30	Helminth. hyaloporus +	Pyrus coccineus
31	Sphaerium ?	Robinia ?
32	Tubercul. vulgaris Valse. lata	?
33	Valsa a misten	Arctia spicaria etc
34	Lichen	Picea bicea
35		?
36	Lichen	Juglans regia
37	Ceraurus Dinastis.	Alnus
38	Pyrenopeziza umbellata Hypoxylon prunella	Prunus domestica
39	Daedalea unicolor Tubercul. vulgaris	Fagus sylvatica 1° Roso 2. au. pycnos?
40	Agar (Laccobolus?)	Prunus Alcea
41	Hypoxylon rosen	Alnus cuneata
42	Lachnella	Juglans regia
43	Tubercul. vulgaris	Salix viminalis
44	Polyporus fulvus	Fagus sylvatica
45	Daedalea unicolor	?
46	Lichen	Prunus domestica
47	Lichen	?
48	Carotina Vagantia	?
49	Tubercul. Decidua	Robinia
50	Tubercul. vulgaris	Pyrus coccineus
51	Tubercul. vulgaris	Prunus Persea
52	Hypoxylon rosen	?
53		Fagus sylvatica, Est. pycnos?
54		?
55	Myriophorum laxum f. l.	?
56		Prunus domestica il roso
57	Tubercul. vulgaris	Urtica nigra
58	Tubercul. vulgaris prunella	Prunus spinosa

59	Corticium anaglycum	Pinus Abies
60	Corticium lacteum var	Prunus domestica
61	Tremella indecorata Baum	Salix alba
62	Hypoxylon prunum	Corylus avellana
63	Lichen	Allegulus, an Charax mespile?
64	Dagobath fibrosa	Prunus? Pter. catherin
65	Canarium	Prunus spinosa
66	Lachnella	Ge.
67	Corticium tylosinum Coria	Pinus Picea (Helm. Polyp. Medulla?)
68	Lachnella?	Coronula?
69	Lichen	Rugheus rogia
70	Lichen	Ge.
71	Hypoxylon prunum	Corylus avellana alm. glut
72	Canarium Prunus	Pinus Abies
73	Securis abies	Larix aeropya
74	Lichen	Abies an duo?
75	Leucis abetina	Pinus Picea
76	Leucis separata	Larix
77	Lichen	Urtica almy
78	Lichen	Pinus sylvestris, Laccaria
79	Lichen	Ge. nigrescens
80	Corticium disciforme	Fagus sylvatica
81	Alga	Sambucus nigra
82	Phoma herbena	Cammaris satica
83	Bothrid Batand) et Tab. vulg.	Berberis vulgaris
84		Robinia
85	Ostrea communis? Mylopse?	Syringia vulgaris
86	Mucor?	Syring communis
87	Hendersonia Rub f	Rubus, acer

88	Tubercula vulgaris	Musci rorip tuberoso
89	Corticium laevis T. can.	Dryas concolorif
90	Cucurbitaria elongata	Urbicaria vero
91	Tubercula vulgaris f. m.	D. rorip
92	Lichen	Larix aeroper
93		D.
94	Lichen	D.
95	Lichen	D. veridagata
96	Dactylis dactyloides	Fagus sylvatica
97	Lichen	Dryas Picea
98	Sphaerium?	Arborea?
99	Lichen	Dryas Picea
100	Hypoxyle f. m.	Corylus avellana
101	Hypoxyle rorip	Dryas demotica
102	Tubercula vulgaris	Urbicaria nigra rorip
103	Doshida Veniziana	D. vero
104	Hypoxyle f. m.	Detula
105	Calliandra verid. f. m.	Urbicaria concolorif
106	" "	D.
107	Cystopis candida	Blasipis Arabis alpina
108	Tubercula vulgaris f. m.	Alnus
109	Asterium radiatum	Rorip
110		Campocaulis
111		Ruphobria
112	Acidium Ruphobria	D.
113	Eurhymenium tartaricum	D.
114		Phytocoma
115	Cystopis candida	Blasipis
116	Lichen	Rorip

117	Lichen	in un safo
118	Lichen	Ferrop
119	Lichen	9°
120	Lichen	uov so
121	Lichen	Pinus Bica
122	Lichen	Delida
123	Lichen	Laric
124		Astrachia ucyor, parvula sub rotunda sub speciosa
125		9° , angue depressa
126	} Phytoma septum	Phytoma , nigrescentis
127		9° , albedo-luteole
128		Saurus acutif
129	Phragm. Rosum	Rosa
130	Deid. ...	Fagus sylvatica, fungo scro
131	Trichothecium rufum	Robinia
132	Dehyr. disciform	Fagus s.
133	Lichen	in un safo
134	Dehyr. venosif	Prunus douglasica
135	Dehyr. disciformis	9°
136		9°
137	Cucub. Potentis	Arbutus vulgaris, rosa? uco?
138		Corylus av.
139	Corticium lactum f	Fagus, an duo?
140	Valsa pustulata Wk	9°
141	Phaenomen?	Delida
142	Hypoxyla fuscum	9° et Valsa sinuata Wk
143		9°
144	Valsa angula Wk	9°
145	Canomyces albus (F.) Tuck um Hypox. fuscum	9°
