TO THE DIRECTOR.

St. Louis, Mo., March 20, 1902.

Dear Sir:

Your card of the 2d of March has reached this office in the absence of Dr. Trelease. He will be here again in a fortnight, and your card will be placed in his hands. I happen to know that the delay in publishing your paper has been due to circumstances that he could not control, and very much against his desire.

Respectfully yours,
