Dear Sir

At the suggestion of

My friend Mr J B Ellis of Newfield, New Jersey I have this day purchased of our Post Office a Money Order for Sixty four (64) francs, payable to you and for which I wish you to send me one copy of your "Fungi Italici". If you do not receive the money or if I have not sent you enough please notify me and I will attend to it.

Please wrap the work securely with pasteboard on each side and send to me by mail.

Some time ago I wrote to you asking that my name might be put down as a subscriber to your new work; "Sylloge Fungorum Omnium" and that, as it was issued, you should send it to me, to the care of J B Lippincott and Co, Philadelphia. I now wish to change that and have you send it to me direct. My address is as follows; Dr George Martin, West Chester, Chester County, Pennsylvania U. S. A.

Very Respectfully
George Martin
