Mons Prof PA Saccardo.

Dear Sir

Upon my return home
after a Winter's Residence in Florida, I
find upon my table a fasciculus of
your "Genera Pyrenomycetum Schematicae
Delineatae" - I hasten to acknowledge
its receipt and have purchased a
P O Money Order in your favor for
Six (6) francs as requested -

You will pardon my apparent neglect
as I was unaware that it had been
sent to me until now -

Very respectfully &c
George Martin
