Prof. P. A. Saccardo,

Dear Sir: Accompany-  
ing this I send you my papers  
on the Polypori of this region  
in which I live, - adjacent to  
the city of Cincinnati.

I am unable to buy your  
writings here. I want your  
last volume on the Hypophomycetes.  
Please notify me of the price  
of it, so that I may obtain it  
directly from you.

Very Truly Yours,  
A. P. Morgan.
