Dear Sir,- I enclose herewith a letter that was sent
to Cordova by Mistake.

I was down to see the treasurer this morning and he tells me
he will send you your money today, and I trust you will get it.

You will notice that we sent you to Cordova, Italy, a package
of fungi. I trust you will write to get them as in the recent fire
nearly all the remaining sets were destroyed and as this forms
one of the sets of our Iowa fungi I thought you would be pleased
to get it,

I.J.W.

Yours truly,

L. H. Pammel
