

State Mus. Nat. Hist.

Albany, N.Y. July 8, 1885

My Dear Sir;

I am pleased to know
the fungus on Vaccinium Pennsylvanicum is to
commemorate my name.

I inclose two fungi which perplex
me. Can you give me their names.

1 On damp earth. July 1885

2 " young fruit of Prunus
Virginiana. July 1885

Very truly Yours
Chas. H. Peck.
