Professor P. A. Saccardo  
My Dear Sir,

I have no extra copies of the Torrey  
Bulletin Vol. XI. which contains description of Reicidium Phaceliæ.  
I have therefore transcribed for you the whole article on New Species  
of Fungi, and hope this will answer your purpose. If not  
please inform me and I will purchase the Volume from  
the publishers for you -

Very truly Yours  
Chas. H. Peck.
