

New York State Museum of Natural History,

Albany, November 16th 1883

Prof. P. A. Saccardo,

My Dear Sir;

Your postal of
Oct. 30th just now received, changing the
name "Peckia" to "Neopeckia".

I will send immediately for
publication your diagnosis of
the new genus and also the
description of the species.

Believe me very thankful
for the compliment you have
given me.

Very truly Yours
Chas. H. Peck.
