

Canterbury
Shrewsbury

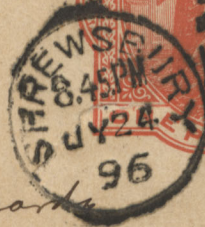

My dear Sir,

I owe you many apologies for not having sent you payment for vol XI of your Syllogae. I thought I had paid you for the last volume I received, which I thought was no X, but now discover that no XI came during the time I was very ill, and had been put on one side. I now find ~~it~~ out my error, and will remit the payment in a few days.

Yours truly
William Phillips
