

Canoubury, Kingstand,

Shrewsbury
England!

Feb. 1. 1879.

Dear Sir,

I have received through Dr.
Cooke your excellent works —
Michellia no IV. Fungi Italici
fase. IX-XII. and Mycotheca ^{Ventura}
XII-XIII. I have not yet
received Michellia no. III;
if you will please to send me
this number by Post, and let me
know how much money I have
to pay for the whole, I will send
you a Post-Office order.

I remain
Your obliged servt
William Phillips
