

Canonbury
Shrewsbury
England
July 1. 1885

Dear Sir,

I regret to find that one
tab. in my copy of "Lungi Italica"
is missing. I sent the work to
the Bookbinder as I received it
from you and he sends me
the enclosed note. No doubt
your Printer will have a spare
impression of this tab. with which
I can be supplied to make my
copy complete.

Yours truly
William Phillips
