

Prof. P. A. Saccardo

Dear Sir

Have the kindness
to send me by mail your illustrations
of *Fungi Italici* - 1280 plates -
made up into several parcels & each
parcel well wrapped so that the
plates are not injured in transit.
I visit Mr Ellis of Newfield
occasionally & it was there, that
I became acquainted with your
publication. Your work is I
believe selling at \$12.80 (twelve
dollars eighty cents U.S. money)
if this not correct please inform
me.

$L. 64 @ 80 =$
 $= \$12.80$

Respectfully
