Dr. P.A. Saccardo; -
Dear Sir; -

I expect to spend several months in the island of Santa Cruz, Danish West Indies, and will collect as complete sets of the flora and fungi as possible. I should like to have you identify my fungi and will send you abundant material with as accurate data as possible

Yours very truly
Alfred E. Ricksecker (A.B.)
Bassin,
Care of J. J. Ricksecker, Santa Cruz,
