Dear Professor Saccardo:

I thank you sincerely for the further determinations of fungi - by yourself and Dr. Bresadola, to whom please present my thanks also. The specimens are safe as hand.

I find that a large number of imperfecti, as *Conoscytes*, &c. &c. has been mislaid when I wrote you, and I venture to send these by this mail, in the hope that you will kindly determine them also for me. As I have sent all of the material of each number, and greatly

desire to preserve material representing Alaskan species, I can be greatly obliged if you will kindly return the specimens to me, when named. - Though where any specimen admits of division I trust that you will keep a part of it, whenever you wish to do so.

I do not believe that the lists and descriptions can now be published before fall. - but you shall receive the diagnoses promptly when published.  
Cordially yours. Wm. Trelease.
