ST. LOUIS, MO., July 25, 1900.

Dear Professor Saccardo:

Have you, undisposed of, any copies of your *Fungi veneti novi vel critici*, and, if so, could you spare for our library a complete copy, allowing us to pay for it? If so, I shall be very greatly obliged, as, although I have in the *Nuovo Giornale* the parts which appeared there, I should like to have the work complete on the shelves under your name.

With my sincere regards,

Yours very truly,

Professor P. A. Saccardo,
Padova, Italy.
