PLEASE ADDRESS CORRESPONDENCE

TO THE DIRECTOR.

ST. LOUIS, Mo., April 5, 1900.

Dear Professor Saccardo:

I enclose a bit of *Yucca filifera*, bearing a fungus which Mr. J. B. Ellis is just publishing as *Kellermannia mutica* E. & E., n. sp. It comes from Monterey, Mexico. I trust that the bit sent will prove in fruit,--I have not had it under the microscope myself.

With my best regards,

Very sincerely yours,

Wm Trelease
