TO THE DIRECTOR.

ST. LOUIS, MO., FEB 11 1898

Dear Professor Saccardo:

I thought that I had promptly answered your letter of Oct. 24, containing a description of Exosporium palmivorum, - but it is not endorsed so as to show that I did so, and I therefore write now to thank you cordially for your aid. I shall publish the species in our Ninth Report, and shall promptly send you a copy. The figures of the species will be included.

Very truly,
Wm. Trelease.
