My dear Sir:

I am sending to you the first century of my Fungi Malayana, which I beg that you will accept with my best compliments. I desire you to have these since you have taken the trouble to work up a number of our Philippine things which has been a great favor for us here. Please do not feel any obligation in connection with the receiving of these - we are very glad of an opportunity to send them to you.

Yours very truly,

C. F. Baker
