

Michigan Agricultural College

EAST LANSING

DEPARTMENT OF BOTANY
ERNST A. BESSEY

March 16, 1914.

Prof. Dr. P. A. Saccardo;
Padova, Italy.

Dear Sir:

I am very glad to inform you that thru the kindness of Prof. Dr. Richard de Zeeuw, Secretary of the Michigan Academy of Science, you will receive a copy of the Third Annual Report which contains the article by B. C. Longyear describing *Annularia mammillata* and other mushrooms.

With kindest regards,

Very truly yours,

EAB*AMH

Ernst A. Bessey
