Dept. of Botany,
University, Padua,

Dear Sir:—

I am making
some investigations of
the Sacred Thistle or
Carduus Benedictus or
Oniscus Benedictus. Can
you tell me at what
places this plant grows
in Italy and whether
the plant is cultivated

-2-

or grows wild? If
you can give me some
information on this
plant, I assure you
it will be greatly
appreciated.

With best wishes
I am, yours Truly,
