Nov. 17. 1910

Dear Sir

In compliance with your request I  
have much pleasure in sending you a  
reprint of my paper read before the Linne-  
-an Society of London on "A contribution  
to the Mycology of South Africa" —  
also a reprint from The Naturalist of my  
new species of *Verticicladium* —  
Any further information which you may  
require I shall be happy to give.

Yours very truly,

W. N. Cheesman
