Dr. P. A. Saccardo,
Padova, Italy,

My Dear Dr. Saccardo;

Some time since I forwarded to you nine specimens of my new species of *Chaetomium* and I am wondering if you have received them. I hope they did not go astray.

I am also writing to ask if you can give me any information regarding *Ch. Fieberi*, *Corda* subsp. *Saccardianum*, *Bomm. et Rouss.* or as you suggest writing it *Ch. Saccardianum*, *Bomm. et Rouss.* I would like to know in the first place if a specimen of this species is available and in the second place if you could send me a tiny fragment or mount of one or two perithecia for examination. Any service you might wish to render me in this regard will be very much appreciated and I shall be glad to return the favor in any way I can.

Thanking you in advance for your kindness, I remain

Sincerely Yours,

A. H. Chivers.
