

Prof. P. A. Saccardo,
Royal Botanical Garden,
Padova.

London, Ont., Canada
7 July 1913

Dear and honored Confrere: - With this card I am
sending you a packet of fungi mostly melanconiales
and Hyphomycetes which I hope you will find
interesting. I expect that some of them will
prove to be species novae. Kindly send me
your valued report on them as soon as convenient.

I am yours very sincerely
John Dearness
